On Saturday May 13th, the inaugural event at the Sergeants Mess Hall at Base31 will come alive with a 1942 fancy dress cocktail party. Professional dance couples will demonstrate and encourage others to join in the dancing fun... so fill in your Dance Card.

Tim Jones, CEO Base31: "The Sergeants Mess Hall has always been a place for gathering, and we are excited to bring it back to life. We're thrilled to have the Library Fundraising Gala as the inaugural event in the renovated space, which will be paying homage to the era of the original Camp Picton."

Alexandra Bake, Chair of the Library Fundraising Committee appreciates the historic relevance of both buildings: "The Library and Base 31 are both spaces which have played an important role in the history of our community. Both are being reimagined to be cultural and community hubs into the future. They serve as wonderful examples of urban renewal and the power of collaboration. It will be a Grand Celebration - a wonderful way to celebrate our past while looking to the future."

Craig Mills, General Manager, 99.3 County FM, "Our association with The County's libraries goes back to the launch of 99.3 County FM and our weekly County Writes County Reads show. Our libraries are a treasure and we encourage all members of PEC to enjoy, explore, and celebrate the new expansion in Picton!"

Barbara Sweet, Library CEO extends a warm welcome to this exceptional fundraising event: "This is a celebratory gala to recognize this wonderful gift and the community effort that made it happen. We would also like to extend a very sincere thank you to the additional donors who have given generously as we planned this project."
